

Wachias Sept 13th / 1862.
General

I have arrested

Wm Humbley of East-Wachias
and delivered him to the Jailor
at Wachias. I found him in Cutter
near Moose River. This has caused
the delay in making my Report as
ordered by you.

This County is so near the
~~the~~ British Province that many get-
away before I can arrest them.
beside those Bays and Rivers are
so plenty that it makes it slow
work for me to get along.

I hear that Wm Sherman of
Calvair has enlisted for a 9 months
man I shall go there tomorrow.

John L. Hoodsdon } I remain your st.
