Biographical information

June 25, 1976 you wrote asking about a book for the Maine author collection. At that time we thought we were out of book of "Enduring Friendships". Since then the publisher has found some and we thought it fitting that a copy be in your collection.

The three books published by the Friendship Sloop Society are not written by anyone person, but rather by a group of members and friends you you can see from this copy. Therefore I do not consider myself a Maine author when all I did was to gather together articles and write some and pull the book together for the Society.

I am pleased that as editor of "Enduring Friendships"
I have been able to find a copy for the state library.
