GEOLOGIC AND WELL INFORMATION

0. Depth to bedrock, in feet below land surface
1a. Permeability of sediments, value in feet per minute based on boring depth
1b. Permeability of sediments, value in feet per minute based on boring depth
1c. Permeability of sediments, value in feet per minute based on boring depth
1d. Permeability of sediments, value in feet per minute based on boring depth
1e. Permeability of sediments, value in feet per minute based on boring depth
2. Depth to water table, in feet below land surface
