

HON. BYRON BOYD, AUGUSTA.

HAVE you a bill you're pushing thru!
 "See Byron!" There's the proper cue.
 What are its chances? Will it go?
 "Get Byron's figures! He will know."
 He never lobbies! Save the note
 He only tells you how to vote.
 He never works with threat or guile
 He simply charms you with his smile
 And while he's your hypnotic host
 The bill is passed to be engrossed.
 Beneath that snow-white Boydian pate
 The yeas and nays do incubate!
 Hence;—if state-house-moving you'd avoid
 Apply at once! to Byron Boyd.
