

C. A. JUDKINS, Kineo House, Moosehead Lake.

**S**HOULD you, when fall comes rolling round,  
 Uneasy feel in office bound,  
 Most any time around September,  
 This good advice then please remember.  
 The man you'll find at Kineo  
 Has just the house where you should go.  
 With thought as keen as flying grouse  
 He fame has made for Kineo House.  
 A solecism perhaps you'll see  
 To call this man a growing tree.  
 But his success was surely brought  
 By branching out just when he ought.
