Dear Mr. Wood:

We have recently noticed an article concerning your book, A HISTORY OF LUMBERING IN MAINE, 1820-1861. May we offer our congratulations upon this addition to the Maine literature.

Some years ago the State Library started an exhibit collection of the works of Maine authors. This collection, through the splendid cooperation of our writers, has grown very rapidly, and now includes several hundred inscribed volumes. In connection, we maintain a biographical file, and we hope you will send us some material for this file.

Also, may we hope for an inscribed copy of the new book. We anticipate its arrival, for the advance notices have been so very complimentary, and a book of this type is to be welcomed, especially with its invaluable index and bibliography.

Very truly yours,  
Maine State Library

Dear Mr. Wood:

We have received the autographed copy of A HISTORY OF LUMBERING IN MAINE. This is for our Maine Author Collection. Possibly my request was not clear: the University of Maine studies come to us regularly, but these are catalogued and are for general circulation, while the copy which I desired was an autographed one for our Maine Author Collection.

Thank you for sending this book and for sending us the biographical material. This is exactly what we wish, and we appreciate your making it possible for us to add this very valuable book to our Maine Author Collection.

Very truly yours,  
Maine State Library
