PORTLAND, MAINE Dec. 24, 1917.

File D-5-79.

Adj't. Gen'l. G. McL. Presson,
Augusta, Maine.

Dear Sir:-

Referring to yours of Dec. 21st:

We arranged with the Canadian Government Ry. at Halifax, to give the required transportation to the Maine Unit as may be requested, advising us, we to arrange collection.

Referring to the latter part of your letter, we advised Agent at Waterville to furnish to Doctor Poulin and Gousse, tickets and Pullman through to Halifax. Dr. Bradford having left Rockland and come to Portland before our agent at Rockland received advice to furnish tickets, we arranged to furnish Dr. Bradford with ticket and Pullman transportation to Halifax from Portland.

Regret to say that in all cases we furnished one way transportation only, but I am now writing the Canadian Government Ry. asking that they arrange to furnish these Doctors with transportation for their return when requested. We will later send you bill for amount required.

Yours truly,

M. L. Harris
General Passenger Agent.
