# ICE FISHING LAWS

The waters, listed by Counties, in this pamphlet are separated into groups which are governed by the same laws

## GENERAL LAW

Except as otherwise specified herein, it is illegal to fish for any kind of fish in waters which are closed to fishing for salmon, trout and togue. Bass cannot be taken through the ice at any time. Persons properly licensed may fish through the ice in the daytime with 5 set lines each, when under the immediate supervision of the person fishing, and in the night time for cusk in such waters as are open for fishing in the night time for cusk. Non-residents over 10 years of age and residents over 18 years of age must be licensed.

Sec. 27. Fishing for gain or hire prohibited; exceptions; penalty. Whoever shall, for the whole or any part of the time, engage in the business or occupation of fishing in any of the inland waters of the state above tide-waters, for salmon, togue, trout, black bass, pickerel, or white perch, for gain or hire, shall for every such offense pay a fine of \$50 and costs, except that pickerel legally taken in the County of Washington may be sold by the person taking the same.
