ICE FISHING LAWS

GENERAL PROVISIONS

Sec. 54. Ice fishing regulated. All inland waters of the state are closed to ice fishing except those which have been opened to fishing through the ice by rule and regulation of the commissioner. A person legally licensed may fish through the ice in the daytime with not more than 5 lines, set or otherwise, which shall be under the immediate supervision of such person, in any waters which have been opened to ice fishing by the commissioner.

It shall be lawful to fish in the nighttime by using not more than 5 lines set or otherwise for cusk in the waters which have been opened to ice fishing by the commissioner for salmon, trout and togue. The commissioner may open other waters for fishing for cusk in the nighttime. Lines set for cusk in the nighttime must be visited at least once in every hour by the person setting the same.

Except as set forth in this section, it shall be unlawful to ice fish from $\frac{1}{2}$ hour after sunset to $\frac{1}{2}$ hour before sunrise of the following morning.

FISHING LICENSES

No resident of the State over 16 years of age and no non-resident over the age of 10 years can lawfully fish through the ice in any inland waters of the State, or transport any fish taken therefrom without a fishing license.

Unless otherwise specified the legal lengths and daily limits which have been established for open water fishing in each county shall apply to all waters open to ice fishing in those counties.

Minimum Legal Length

Refer to County Headings for Special Regulations.

Lakes and Ponds		Rivers	
Salmon	14 inches	Salmon	14 inches
Togue	14 inches	Togue	14 inches
Trout	6 inches	Trout	6 inches
White Perch	No size	White Perch	No size

Daily Bag and Possession Limits—General

Refer to County Headings for Special Regulations.

Salmon	}	10 fish or 7½ lbs. in the aggregate
Togue		
Trout		
White Perch		see county headings
Pickrel		10 fish, except in Washington Co.
Smelts		4 qts. per day or in possession.

A person shall not have in his possession at any time more fish than he may lawfully take in one day.

Whenever any waters have a special bag limit, no person shall have in possession more than 1 day's bag limit taken from those waters.

In all cases wherein the daily bag limit differs from the tables as listed, the limit of fish which may be legally taken by any one person in any one day is stated herein either in numbers of fish or pounds under County or Group headings.

Where county lines divide a body of water the more liberal county regulations shall apply.

In all waters where bag limit on black bass has been removed, the season and method of taking shall be the same as for trout and salmon.

Sec. 49. Sale of certain fish prohibited; penalty. It shall be unlawful for any person to sell or buy directly or indirectly any landlocked salmon, trout, togue, black bass, white perch or pickerel except that pickerel may be sold in Washington County. A violation of this section shall be punishable by a fine of not less than \$10, or more than \$30, and costs, for each offense, and in addition thereto, \$1 for each fish sold or purchased.

Sec. 50. Lumber camps shall not serve salmon, trout, togue, bass or pickerel. No owner, keeper or employee thereof or any other person shall have in possession any salmon, trout, togue, black bass, white perch or pickerel from the inland waters of the state for the purpose of serving or consuming the same in any camp, house or other building used partly or wholly in lumbering operations, log driving, or construction of any kind. It shall be prima facie evidence of a violation of this section on the part of any keeper or owner of such camp used in lumbering or construction operations to have in his possession in such camp any fish described in this section. The provisions of this section shall not apply to pickerel in Washington County.

Sec. 54-B. Ice fishing shacks to be removed. No owner of any shack or temporary structure used for ice fishing purposes shall leave or allow the same to remain on the ice of any inland waters three days after the waters on which such shack or temporary structure is located closes to ice fishing. When said structure is on the ice of any inland waters the owner's name shall be painted on the outside of said shack in 2-inch letters. Whoever violates this section shall be punished by a fine of not more than \$300 and costs or by imprisonment for not more than 90 days, or by both.

Read carefully the County and Group Headings for exceptions to General Provisions.

Resident may exchange 3-day license he has purchased for season license on payment of Clerk's fee.

The 3-day license is for 3 consecutive days only. This license cannot be exchanged for any non-resident license, but may be exchanged by a resident for fishing license only, not for a hunting or combination.

Resident must procure license in municipality of residence. Exception, 3-day license.

Heads may not be detached from salmon, trout, togue or black bass, unless being prepared for immediate cooking.

No person shall take, kill, catch or have in possession more than 4 quarts of smelts in any one day.
